# THANKS TO AL

G. A. R. Women Resolve That They Were Well Entertained in This City.

### RESOLUTIONS ARE ADOPTED

LAST MEETING HELD FRIDAY AT CONGREGATIONAL CHURCH.

In appreciation of the way Salt Lake City has entertained and cared for the Ladies of the G. A. R., that organization yesterday afternoon adopted the following resolutions at their convention at the First Congregational church: Report of the committee on resolutions to the national president, officers

and members of the twenty-third an-

nual convention of the Ladies of the

Resolved, That a vote of thanks be extended to the governor and his staff of Utah, the county officials of Utah county, the mayor of Salt Lake and his board of trustees, and the citizens of Salt Lake City, for the many courtesies extended to us during our convention.

That the thanks of this convention be tendered Reynolds circle of Salt Lake

bountiful luncheon. That the thanks of this convention be tendered Sister Jean Milton, ex-army nurse and chairman of the committee on decorations, for the many beautiful flowers furnished headquarters and our convention, also to the Lincoln circle of

and the ladies who served us such a

To the citizens' committee for the hendsome souvenir badges and to J. K. Davidson for the delegates' badge. To the trustees of the Congregational church for the use of that edifice during our sessions.

To Officers.

To the officers connected with the Tabernacle choir for the tickets for the concerts and the many courtesies they have extended.

That our sincere thanks be tendered to the Ladies of the G. A. R. band for their music, and that we also feel very proud to think that this band connected with our order is the only ladies' band connected with any branch of the Grand Army of the Republic

That our thanks be extended to the press for their well written notices of our convention and organization. That we extend our thanks to the citizens of Salt Lake City in general for their entertainment, their beautiful decorations, and all they have done to

make our sojourn in their city a pleas-That we extend our thanks to our national president and all national of-ficers for good work and conscientious

Mr. Pearson displayed exceptionally well his triple tonguing ability in the election "Ida Polka" on the cornet. The band has been highly appreciated y all who have heard it, and has re eived much praise from musicians of

# PARK CITY MAN DEAD.

Patrick Tallon Expires at Holy Cross

Hospital. Patrick Tallon, aged 69, and a resident of Park City, died at the Holy Cross hospital Friday morning from consumption. Mr. Tallon was one of the oldest citizens of Park City. He was a foreman at the Daly mine when the workings were first opened. While actively engaged in mining he occupied the position of city judge of Park City from 1905 to 1907. He is survived by four sons and a daughter.

COUPLES BRAVE "HOODOO."

Friday usually has been a quiet day, so far as the issuing of marriage licenses is concerned, at the office of the county clerk, several Fridays recently having shown not a license issued. It was thought that, with the combination of "Friday, the 13th." yesterday would surely be a "hoodoo," but two couples were brave enough to call for licenses, despite the day and date. The following licenses William D. Griffiths of Denver and Mrs. Lucile Blanchard of Colorado Springs, James A. Bywater and Sophia W. Peterson, both of Salt Lake.

(Boston Transcript.) If you've ever been in Moscow and there saw a kiosk-oh, it wasn't just the same you see in Boston. For the openwork effect, which one there must recolstreet, where the short and long walks best meet, stands a structure of wood, iron and glass, filled with various moving "jiggers" which trace marks on rows of "figgers" and attract the curious people who may pass. This square and squatty tower lacks a clock to tell the hour, and its architecture isn't of the best, for the little Boston kiosk isn't like a Moscow mosque-it's a kiosk in name only. For the rest, its mission is pays 4 per cent interest on savings depays 4 per cent interest on savings deposits. Joseph F. Smith, president; to show which way the winds may blow Anthon H. Lund, vice president; O. C. lew, and afford a mild suggestion of an answer to the question if the weather ow is "hot enough for you?"

Our paternal government various instruments has sent to indicate the weather to expect. On the four sides of this tower, every minute, every hour, is recorded any change to take effect.

There are picture cards which show how the clouds looked. Rain or snow is ndicated by a steam gauge on one side The daily weather map is inserted, and mayhap later on they'll show the rise and fall of tide. Three thermometers supply the demands of those going by for hot or cold or present temperature while a hygrometric disk shows the average sunstroke risk when the temperature is 92 or more. There are charts for every day and a record since the bureau work began.

### WOMAN'S GENTLE ART. (Tit-Bits.)

"I often wonder," said a gentleman to a young mechanic, "how you ever plucked up courage enough to propose to your wife—you were always such a bashful young fellow."

"Well," explained the husband, "she made it easy for me. You know I walked out with her frequently, and she must have known I meant business. But I was always afraid to speak right out till one night I said to her, rather carelessly:

footwear. Comfort of feet because of a proper fit.

\$3.50, \$4.00 & \$5.00

night I said to her, rather carelessly:
"'Do you thing you'll ever marry?"
"She said she thought she might, so I said:

"'Whenever you do,' was her answer, and I said:
"'All right.' "So we settled the day there and then."
